WORK EXPERIENCE

VIDEO EDITOR/ANIMATOR

WTTG | 2017 - 2024

Managed shared raw video footage to edit into live news television, edit content for quality control and make necessary editorial corrections for broadcast.

- Created impactful promotional work for the local news station using the technical skills required for work produced in blender and adobe premeire.
- Processed raw video footage with speed and accuracy to provide live television audiences with the latest up to date breaking news.

DIRECTOR/ANIMATOR

Self Employed | 2016 - Present

Produce and direct a variety of animated music videos for both local and Grammy nominated musicians. Videos use mixed media animation including hand drawn frames, claymation, digital 3D and 2D modeling and painted film.

- Collaborate with musicians and their team over the project life to provide clients with the animated video content that best captures the story they are looking to convey.
- Manage a growing portfolio of projects and their deadlines, scope, and project work plan to ensure content is delivered to clients in a timely manner by their desired deadline.

PRODUCTION ASSISTANT

Storyfarm | 2016

- Supported production teams on film, television, and commercial sets by handling equipment setup, breakdown, and transportation to ensure smooth operations.
- Collaborated with directors, producers, and crew members to assist in the execution of creative visions\and meet production goals.
